

May-June 2017

Updates...

The year is winding down, but our students are still hard at work! In reading we are working on so many standards such as text features, comparing and contrasting, point of view and poetry.

We are learning about energy, force and motion and the human body in science.

We continue progressing through our math lessons including measurement both customary and metric, and soon will be moving into geometry.

Don't forget to continue to check agendas and have your child complete their homework each night.

Upcoming Dates

April 27th- Carnival Meeting 2:15pm
May 3rd - GABIE bus at school field trip
May 15 or 16th - Student led conferences
May 16th -Academic Fair Night
May 23rd - Career Day
May 29th - No School
May 31st - 2nd Grade Carnival
June 8th - Last day of school

Thank you for your support throughout the year. The second grade team has loved seeing both the academic and emotional growth of all of our students. Have a wonderful summer and we look forward to seeing them in the Fall.

Second Grade Carnival

SAVE THE DATE- Wednesday, May 31st

Reading Tip for Parents: Picture This! During the summer, take action-packed photos, then have your child create captions to go with each picture. Assemble the pictures and captions in a picture book or album, and add speech and thought bubbles to create a personalized – and probably hysterical -- graphic novel.
