

5th Grade

May, 2017

It's difficult to believe that the school year is almost at an end! Our students have worked so hard this year and have risen to the challenge of the new FSA exams. There is a great sense of pride in our hallways these days. The gains that our students have made are impressive. We are confident they are prepared for the next step in their academic future. As the children get ready to leave Country Isles and move on to even greater challenges in middle school- we, the 5th grade teachers, are ready to send them off in grand style! Many fun and exciting activities will be coming up in the following weeks.

So, please mark you calendars for the following dates:

Oh the Places You'll Go!

Congratulations! Today is your day. You're off to Great Places! You're off and away!

You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose...

You'll be on your way up! You'll be seeing great sights! You'll join the high fliers who soar to high heights.

You won't lag behind, because you'll have the speed. You'll pass the whole gang and you'll soon take the lead. Wherever you fly, you'll be the best of the best. Wherever you go, you will top all the rest.
